

# Thieves Household Cleaner "Cheat Sheet"

Always test your mixture on a small, inconspicuous place first to see if there is any staining or discoloring. One capful of Thieves Household Cleaner (THC) is equal to one teaspoon.

~~~~~

## Multi-Purpose Cleaner

One capful THC combined with two cups of water makes a great spray for every day cleaning!

## Clothes Stain Remover

Put a drop of two of THC directly on the stain. Rub with a brush. If it doesn't come out immediately, let it sit for a few minutes. White fabric? Add a drop of lemon EO.

## Fruit & Veggie Wash

Place several drops of TCH in a large bowl and wash. Or use ½ capful for an entire sink of produce.

## Window Cleaner

Mix 1/8 teaspoon THC with two cups of water. Less is more! One spray, wipe with a dry cloth, and you'll have spotless windows in no time!

## Wood Cleaner

(not for wood floors)  
Mix one cup THC with one cup of olive oil. Clean wood furniture, cabinets, and tables.

## Carpet Shampoo

Mix ¼ cup THC with two cups of water.

## Dishwasher Detergent

One capful THC with a splash of vinegar in the bottom of your dishwasher.

## Floor Cleaner

Mix one capful THC with four cups of water (add 1 T. vinegar for extra oomph!).

## Heavy Degreasing

Mix one cup of water with one capful THC.

## Laundry Detergent

Add 1-3 capfuls THC to your washing machine, depending on the size of your machine.

## Toy Cleaner

Fill your sink with hot water. Add a splash of vinegar and one capful of THC.

## Portable Hand Cleaner & Purifier

Put ½ capful of THC in a small, portable spray bottle and fill the rest with water.

## DIY Cleaning Wipes

- 1.5 cups water
- 1 capful THC
- ½ roll paper towels

OR

- 2 cups water
- 1 capful THC
- Container of old rags or cut up t-shirts
